

RESOLUTION NUMBER 2019-2

A RESOLUTION TO CONTINUE THE ENVIRONMENTAL WATER RIGHT PROTECTION ASSESSMENT

WHEREAS, the Rogue River Valley Irrigation District (“District”) is a public entity formed for the purposes of diverting and delivering water to lands within its boundaries; and

WHEREAS, the District must manage its facilities in a manner that protects and benefits all water users within the District’s boundaries; and

WHEREAS, the District, in order to protect all its water rights within the District, will continue to protect our water rights with the help of the Rogue Basin Water Users Council; and

WHEREAS, membership in the council requires the District to pay one third of all expenses incurred from science and legal experts for water protection; and

WHEREAS, the Board has determined that acreage-based categories are a fair and equitable method of allocating these additional expenses;

NOW, THEREFORE BE IT RESOLVED, that the Board of Directors of the Rogue River Valley Irrigation District (“ the Board”) agrees and authorizes that:

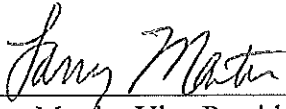

1. RRVID will exercise the option to continue the assessment as stated in Resolution #2013-3.
2. An environmental water right protection assessment be billed annually to all water patrons of the Rogue River Valley Irrigation District starting January 2019 and will be assessed each year thereafter until December 2023 (5 years). The Board has the option to extend the assessment beyond the five year period if they deem it necessary.
3. The Rogue River Valley Irrigation District patrons will be assessed according to their acreage category as follows:

	<u>Acreage Category</u>	<u>Acreage</u>	<u>Amount</u>
1		.01 - 4.99	\$18.82
2		5.000 - 09.99	\$40.12
3		10.00 - 49.99	\$66.74
4		50.00 – 99.99	\$279.72
5		100.00 - +	\$545.94

3. Payment of assessment will fall under the same rules and regulations as the annual assessments for all patrons of the District.

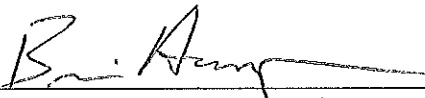

Dated this 3 day of January 2019.
